Welcome to **Mid-West Textile, Co.**, the premier grader and sorter of secondhand clothing and shoes in North America. Our El Paso, Texas facility is dedicated to extracting value from recycled clothing. Founded in 1982, Mid-West continues to lead our industry in innovation and volume. As a result of the large volumes we process on a daily basis, Mid-West Textile has become one of the largest buyers of clothing generated by national charity organizations.

The support we provide helps fund the national programs and food banks for which these charities are known, and reduces useable product from going to landfills.

Our company has proven itself to be a reliable supplier of used clothing and shoes to both the wholesale and retail markets. We ship in both 40 and 20 ft ocean containers, truckloads, packed in big bales, small bales, folded in boxes, and bags. Whether your interest is in graded used clothing or shoes for export, vintage clothing, premium quality clothing, buying for thrift stores, supplying wiping needs, or fiber recycling, our team can assist you.

We invite you to browse through our various departments and we look forward to being of service.
